Our School

Our building, with a special purpose, is more than an ordinary structure. It was made for us who study now and for those who will follow as it was for those who preceded us.

Our friends are here, with whom we study and play. Our teachers inspire and guide us in search of wisdom and truth.

Our school is an integral part of our heritage; and its influence touches us all. It is part of our legacy of freedom, and may it forever remain so.

We Will Remember

The Portals we enter at the start of our day. The class rooms, the staircases, the corridors--- The Athletic field---The voices, the faces, the places, times and events---

Ever changing, never the same and ever new---Our scene is exciting and alive---

The building, teachers, students---Friends, loyalties, victories and defeats---things dear to us. They are here now, and a moment later are gone. It is our Panorama---and it will live on in our memory.

This is a very special occasion for the boys, because it is given to honor their parents and friends. The last annual picnic was held at "The Hide Away." The rain dampened the ground but not their spirits. The hot dogs were wonderful and the excitement high.

O there are Voices of the Past,
Links of a broken chain,
Wings that can bear me back to times
Which cannot come again;
Yet God forbid that I should lose
The echoes that remain

Faculty

A school can only function properly through efficient leadership. The Faculty of Lumberport High School has provided this leadership. By teaching the knowledge necessary for academic learning, they help the students grow mentally and physically and provide guidance when needed. They are always available for extra help and advice. Members of the faculty contribute freely their time for sponsorship of clubs and organizations. They sponsor extra activities such as sock hops, parties and parades so the students may find some measure of entertainment during their school life. They are truly a valuable asset to the student's roll.

Memories

With the closing
Of our school years
We find our eyes
Are filled with tears.

The Eagle staff
Hopes this yearbook
Will bring fond memories,
As through it you look.

Memories of life
At Lumberport High
From passing a test
To baking a pie.

Through these years
We've had much fun,
But for us Seniors
Life has just begun.

And when we're gone,
We hope you find
Our memory book
Will keep us in mind.

Memories of LHS,.
Of friends so dear
Will stay with those
Both far and near.

Oft, in the stilly night,
Ere Slumber's chain has bound me,
Fond Memory brings the light
Of other days around me.

Helen: April 19 - 63 Business Math Class

I really don't know what to write. You are a very nice girl and a pretty one too! I hope you always remember the good and bad times that we have had and will have in Lumberport School. The bad ones, I think you can forget them. Remember our Phys Ed. classes and the Shorthand classes. They were really fun. I hope we will alway remain friends throughout our lives no matter where we may be. Good luck to you always.

A best friend

Karen

P.S. Give me a little more time and I'll fill out this page.

English

Well I'm going to write you a full page. I think. I hope you will never forget the times that we went flower hunting. I'm surprised that we back didn't get poision ivy. Don't ever forget the "good" times that we have had on the bus this year or all the gossip that we have shared. In future years when you are trying to get 5 kids in a car that should only seat three of them, I hope it will remind you of the crowded status of our bus. I don't believe that I will quite make a full page out of this tiny note. Good luck to you always. I hope you will never be too sad in the future. If you are just write me a letter and cry. Best wishes

I did it.

Your best friend
